

10 **A RESOLUTION CONCERNING THE SOVEREIGNTY OF THE UNITED STATES**
20 **OF AMERICA**

30 **WHEREAS:** The United States has entered into the Security of Prosperity Partnership of
40 North America with Canada and Mexico.

50 **WHEREAS:** President Bush entered into an agreement to "...establish a common approach to
60 security to protect North America from external threats, prevent and respond to
70 threats within North America, and further streamline the secure and efficient
80 movement of legitimate, low-risk traffic across our shared borders."

90 **WHEREAS:** "...secure and efficient movement of legitimate, low-risk traffic across our shared
100 borders..." involves a six lane superhighway running through the heart of the US
110 where trucks entering the US do not have to stop for at least 100 miles.

120 **WHEREAS:** One of the cities along this superhighway in Texas is Laredo, which is a town
130 overrun by drug violence. Due to the fact that these vehicles do not have to stop
140 at the border this gives the drivers ample time to unload illegal immigrants,
150 drugs, or any other contraband.

160 **WHEREAS:** Illegal aliens murder 12 Americans daily and there are 240,000 illegal alien sex
170 offenders in the United States. A study by Dr. Deborah Schurman-Kauflin,
180 director of the Violent Crimes Institute in Atlanta, Georgia estimates that
190 approximately one million sex crimes were committed by illegal immigrants in
200 the period between 1999 and 2006. Of these, 70% of the victims were legal US
210 residents.

220 **WHEREAS:** Mohamed Atta al-Sayed and two of his co-conspirators had expired visas when
230 they executed the September 11, 2001 attacks. All of the attackers had U.S.
240 Government issued documents and two of them were erroneously granted visa
250 extensions after their deaths. The National Commission on Terrorist Acts in the
260 United States found that the government inadequately tracked those with expired
270 tourist or student visas.

280 **WHEREAS:** The SPP calls for any member countries (Including the United States) to advise
290 one another in advance of making any decision that could seriously affect the
300 other countries. This could include when there is an imminent threat levied
310 against the United States, the SPP would prevent us from acting until we have
320 conferred with member countries.

330 **WHEREAS:** None of the measures outlined under the SPP do anything to combat the
340 continuing menace of illegal immigration, the measures simply suggest
350 assistance is given to better document legal immigrants.

360 **WHEREAS:** Ahmed Ressay, and Algerian national living in Canada, planned the bombing of
370 Los Angeles International Airport, concealing nitroglycerin and four timing
380 devices in the spare tire well of his automobile. He was caught illegally entering
390 into the United States from Canada in Port Angeles, Washington.

400 **WHEREAS:** The Council on Foreign Relations has suggested that the only way that it would
410 be possible to create a "North American Union" would be by passing a series of
420 executive orders. Executive orders have no oversight, the other branches of
430 government have no say in executive orders.

440 **WHEREAS:** President Bush has passed executive orders applying many of the plans outlined
450 in the SPP. The nature of these executive orders are still constitutionally shaky.

460 **THEREFORE BE IT RESOLVED:** That the Maryland Student Legislature recommend that
470 the United States Senate begin an independent inquiry into the SPP and into the
480 constitutionality of the agreements made.

490 **BE IT FURTHER RESOLVED:** If the results of the inquiry show that laws were broken an
500 independent prosecutor be appointed to investigate any allegations of illegal
510 actions or misconduct and bring charges where appropriate.

520 **MANDATES:** President George W. Bush
530 Attorney General Alberto Gonzalez
540 Nancy Pelosi, Speaker of the House
550 Harry Reid, Senate Majority Leader
560 Mitch McConnell, Senate Minority Leader
570 Steny Hoyer, House Majority Leader
580 John Boehner, House Minority Leader
