10 **A RESOLUTION CONCERNING THE FUTURE PROSPERITY OF THE PEOPLE'S**
20 **OF THE UNITED STATES OF AMERICA**

30 **WHEREAS:** The Senate has just recently voted to pass the economic stimulus package to
40 create jobs and secure the financial stability of the United States; and,

50 **WHEREAS:** This does not create any jobs and it more than likely does not do enough to
60 stimulate the economy to outweigh the fact that this provision spends almost one
70 quarter of a billion dollars; and,

80 **WHEREAS:** The stimulus package also supposedly stimulates the economy by spending
90 another quarter of a million dollars to furnish the new Headquarters of the
100 Department of Homeland Security; and,

110 **WHEREAS:** These are only two of the vast amounts of pork that were put into this bill to buy
120 off votes, which also grants tax cuts to people who have not paid taxes, spends
130 almost a trillion dollars to buy cars for the federal government and is overall
140 wasteful, instead of saving the economy it adds one trillion dollars of debt to an
150 already large debt and instead of helping the economy, will cause increased
160 inflation as the value of the dollar tries to increase as the recession comes to an
170 end.

180 **THEREFORE BE IT RESOLVED:** That the Maryland Student Legislature urges the United
190 States Congress not to craft nor pass, and the President not to sign, any more
200 stimulus packages so as to not further risk the long term prosperity of the
210 American economy in a haste to help it in the present.

250 Rep. Stenny Hoyer, House Majority Leader
